I have been translating online since 2010. I translate from English to Danish.

I am an independent translator. I have had more than 100 translation jobs world wide, and I have a 100% job score and only 5-star ratings.

I have translated quite a lot of websites, lots of travel related stuff, a fair share of health related material, some medical translations and an abundance of products and business related content.

I translated approximately 13.000 words:

Products, Ingredients, Shipping and Delivery, Return policy, Payment & FAQ.

The site is published, however the project is still ongoing with Facebook adds etc. needing to be translated.
